PERCHERON STALLION FUTURITY
SPONSORED BY THE
OHIO PERCHERON BREEDERS ASSOCIATION
Revised December 1, 2007

SOURCE OF THE FUNDS:

- A. The stallion service is donated. The service will be auctioned with the bidding starting at the stallion's current service fee. When the service is sold at auction, sealed bids will be accepted if received one week prior to the auction. A check must accompany the sealed bids. Service fees must be paid the day of the auction. If a live bid exceeds the sealed bid the check will be returned promptly to the bidder, immediately after the auction. **A stallion owner may bid on his own donated service whether there is one or two services being donated.** If the service is not sold, the stallion owner/lessee, has the option to purchase the service at the current fee, but must do so within 10 days after the auction. The owner/lessee will be notified by the stallion futurity chairman if that said service did not sell.
- B. Neither the Ohio Percheron Breeders Association (OPBA) nor the Stallion Futurity Committee will intervene between the buyer of the stallion service and the stallion owner. All contracts, arrangements and negotiations that arise in the service of any mare designated for the OPBA's sponsored Stallion Futurity will be strictly between the mare owner and the stallion owners. Not all stallion owners will offer shipped semen. Successful purchasers of the stallion service will be responsible for making all arrangements for breeding with the owner of the stallion.
- C. A refund for the amount paid for the purchased stallion will only be made if the stallion dies before the designated mare has been bred. If the mare owner questions the fertility of the stallion service purchased, the mare owner must pay for the stallion fertility testing. If the stallion is found not to be fertile, the stallion service fee will be returned to the purchaser of the stallion service.

- D. Services donated for the auction will be taken on a first come basis. Only two weanlings sired by each qualified percheron stallion will be eligible to compete.
